

ExeCom offers one-to-one, personal tutelage in languages and exam preparation not only for company executives, but for a variety of clients who are looking for a more customized, personalized approach.

Be it just an individual looking to improve language skills or a student trying to crack the SAT, GRE, GMAT, IELTS, etc., Execom can create a bespoke lesson plan to cater to the person's needs.

One-to-one lessons offer a more personal approach, where the lesson structure is tailor-made to fit the strengths and weaknesses of the particular student.

Individual Tutoring Services include:

- Language Traning in English, French, German, Dutch, Spanish, Italian, Chinese and others
- Preparation for official accredited examinations in all of the above languages including TOEFL, IELTS, and Proficiency Certificates.

- Preparation for SAT, GRE, GMAT, LSAT– including lessons in Economics, Mathematics and anything else required in standardized tests.
